

KANGAROO TOOLS EXECUTIVE TRADING COMPANY

Company Profile

ABOUT KANGAROO TOOLS

WHO WE ARE ?

Executive Trading Company is a leading company established in 2015, with its headquarters in the Kingdom of Saudi Arabia. We specialize in two key fields: Procurement and Information Technology.

In the realm of procurement, we provide comprehensive solutions to meet our clients' needs. We engage with a diverse range of products and services, spanning from office supplies to state-of-the-art technological equipment. Recognizing the significance of securing necessary resources for seamless business operations, we strive to deliver optimal solutions tailored to each client's requirements.

Our second core expertise lies in the realm of Information Technology. We offer a holistic solution in this field, encompassing the supply and installation of technical devices such as servers and computers. Additionally, we offer suitable software solutions to meet diverse business needs. We embrace the latest technologies and effective practices to ensure we deliver maximum added value to our clients.

Furthermore, we supply all the office essentials our clients require, such as inks and stationery, contributing to facilitating day-to-day operations and ensuring continuous productivity.

We ardently work to fulfill our clients' aspirations by providing solutions that effectively address their needs. Our focus on quality and innovation sets us apart in the business market, and we are perpetually prepared to confront challenges and contribute to our clients' success.

At Executive Trading Company, the customer is at the heart of everything we undertake. We firmly believe in cultivating enduring cooperative relationships with our clients, striving to provide services that meet and surpass their expectations. Guiding customers towards optimal solutions and offering professional counsel is an integral facet of our vision.

Our team comprises experienced and proficient professionals in their respective fields. We understand market developments and embrace new technological updates to ensure we remain fully equipped to cater to evolving business needs. Our dedication to providing exceptional customer service is intrinsic to our identity, and we work earnestly to ensure customer satisfaction at every stage of engagement.

OUR MISSION

The mission of Kangaroo Tools Executive Trading Company is to provide integrated and innovative solutions to our clients in the fields of procurement and information technology. We achieve this by delivering high-quality services and products that meet the expectations and diverse needs of businesses. Our mission focuses on several aspects:

- 1. Meeting Needs:** We strive to accurately understand the challenges and needs of our clients and provide customized solutions that effectively address these needs. We believe in the importance of finding innovative solutions that contribute to business development.
- 2. Quality and Professionalism:** Achieving customer satisfaction through the provision of high-quality products and services is one of our primary objectives. We adhere to strict standards to ensure that everything we offer is characterized by professionalism and accuracy.
- 3. Innovation and Development:** We constantly seek to provide new and innovative solutions to meet the challenges of the evolving market. We embrace the latest technologies and work on developing advanced technological solutions that enhance the efficiency and competitiveness of our clients' businesses.
- 4. Partnership and Collaboration:** We view partnerships with our clients as a fundamental element of our success. We aim to build collaborative relationships based on trust and mutual respect, working together to achieve common goals.
- 5. Social and Environmental Responsibility:** We commit to ethical, social, and environmental responsibility practices. We operate in ways that support communities and protect the environment, striving to leave a positive impact on the societies in which we operate.
- 6. Achieving Shared Success:** Our mission is not only about achieving success for our company but also about contributing to the success of our clients. We believe that shared success drives us forward and contributes to achieving our aspirations and those of our clients.

OUR VISION

At Executive Trading Company, we aspire to become leaders in providing innovative and integrated solutions in the fields of procurement and information technology. Our vision is rooted in achieving our goals with the highest standards of quality and innovation.

We seek to achieve excellence and recognition as a leading company in meeting the diverse needs and challenges of businesses. We aim to be the first choice for our clients when seeking innovative and high-quality solutions.

We envision a future characterized by technological advancement and constant change, and we strive to be the company that keeps pace with this change, offering effective solutions to emerging challenges.

In our journey towards realizing our vision, we aim to build sustainable partnerships and strong relationships with our clients and partners. We want to be a driving force for the success of their businesses, committed to providing support and advice at every step of the way.

We believe that our vision continually propels us towards evolution and innovation. We work diligently to achieve it by excelling in every aspect of our business.

Our vision is to be a strong ally for our clients in achieving their goals and to become the foremost company they turn to when seeking innovative and reliable solutions in the realms of business and technology."

This is the vision of Kangaroo Tools Executive Trading Company that reflects its aspirations and future strategic objectives.

OUR MESSAGE

We at Executive Corner Trading believe strongly that success is built on innovation, dedication, and partnership. Our mission is to provide integrated and innovative solutions to support the success of our clients and contribute to the growth of their businesses.

We strive to offer products and services that exceed customer expectations, through uniqueness and precision in every aspect of our work. We understand the challenges of daily business operations and aim to provide innovative solutions that make a real difference.

Our partnership with clients is the foundation of our work. We value building long-term relationships based on trust and mutual understanding. We are here to support you in achieving your goals and overcoming challenges.

We constantly pursue excellence and continuous improvement. Through innovation and the use of cutting-edge technologies, we aim to develop unique solutions that ensure greater efficiency and excellence for our clients.

We are committed to social and environmental responsibility. We seek to make a positive contribution to the communities in which we operate and strive to preserve the environment through sustainable practices.

At Executive Corner Trading, we aspire to be your partner in success. We are here to provide solutions that achieve efficiency and excellence, and we aim to build a long and successful relationship with you."

This is the message of Executive Corner Trading that reflects its vision and the principles it is built upon in delivering services and products.

WHY KANGAROO TOOLS ?

Executive Corner Trading stands out for several factors that make it the ideal choice to meet your needs in the fields of procurement and information technology. Here's why you should choose Executive Corner Trading:

- 1 . Diverse Range of Services: We offer a wide array of services, from procurement to information technology and software solutions. This means you can rely on us as a one-stop source to fulfill your diverse needs.
- 2 . Quality and Professionalism: Quality and professionalism are at the forefront of our priorities. We are committed to delivering high-quality products and services that meet and exceed your expectations.
- 3 . Expertise and Experience: Our team consists of experienced professionals in the fields of procurement and information technology. This enables us to understand your challenges and provide innovative and suitable solutions.
- 4 . Innovation and Development: We are in a constant state of evolution, adopting the latest technologies and practices. We strive to provide advanced technological solutions that enhance your operations and efficiency.
- 5 . Strategic Partnership: We don't see ourselves merely as service providers, but as strategic partners to our clients. We work diligently to understand your goals and assist you in achieving them.
- 6 . Uniqueness and Customization: Every client is unique to us. We provide tailored solutions that reflect your specific needs.

OUR PRINCIPLES

We hold our core principles, which guide our daily endeavors, in high regard. These principles encompass:

- 1- Quality and Professionalism: We consistently strive to provide high-quality and professional products and services that meet the highest standards.
- 2- Innovation and Development: We encourage innovation and aim to develop new and effective solutions that address future challenges.
- 3- Transparency and Integrity: We deal with our clients and partners with honesty and integrity, aspiring to foster trust-based relationships.
- 4- Collaboration and Teamwork: We strongly believe in the importance of collaboration and effective communication among team members and with our clients to achieve shared objectives.
- 5- Sustainability and Social Responsibility: We are committed to sustainable business practices and aim to make a positive contribution to the community.
- 6- Customer Needs: Our clients are at the core of every decision we make, and we work diligently to ensure we meet and exceed their expectations.

PRINTERS & PRINTING SOLUTION

Managed Print Service (MPS) Solutions allow businesses to improve their efficiency, productivity and data security by monitoring usage, automating consumable usage and meeting the company's document needs.

MPS is a comprehensive approach to overseeing an organization's print environment, encompassing everything from printers and copiers to scanners and fax machines. It goes beyond the traditional model of simply providing hardware and consumables; MPS involves actively monitoring, managing, and optimizing all aspects of the print infrastructure.

Managed Print Service (MPS) Solutions have evolved into an indispensable asset for businesses looking to streamline their print operations, enhance productivity, and bolster data security. By automating and optimizing various aspects of the print environment, MPS empowers organizations to focus on their core competencies while simultaneously reducing costs and environmental impact. It's a strategic investment that can lead to significant improvements in overall business performance.

ATTENDANCE SYSTEMS
