LUXURY IS MADE FOR YOU

Strip Company

Strip company for real estate development and investment is a leading company in the fields of real estate investments and business development that provides the real estate market in Egypt with its distinguished services through a specialized team with experience in dealing with all stages and aspects of development for real estate projects.

We provide our services which include deep study of the market to be able to evaluate the project and its different stages till reaching the final contract signage. This happens through various activities such as research and evaluation, project management and real estate marketing.

Vision

To be the largest entity contributing to the improvement of the Egyptian real estate sector

LUXURY IS MADE FOR YOU
