

Purely Organic Globally Trusted

Teyo Group is a producer and exporter of the highest quality organic seeds, herbs, and spices. Our core strength lies in our control over the entire supply chain.

About Us

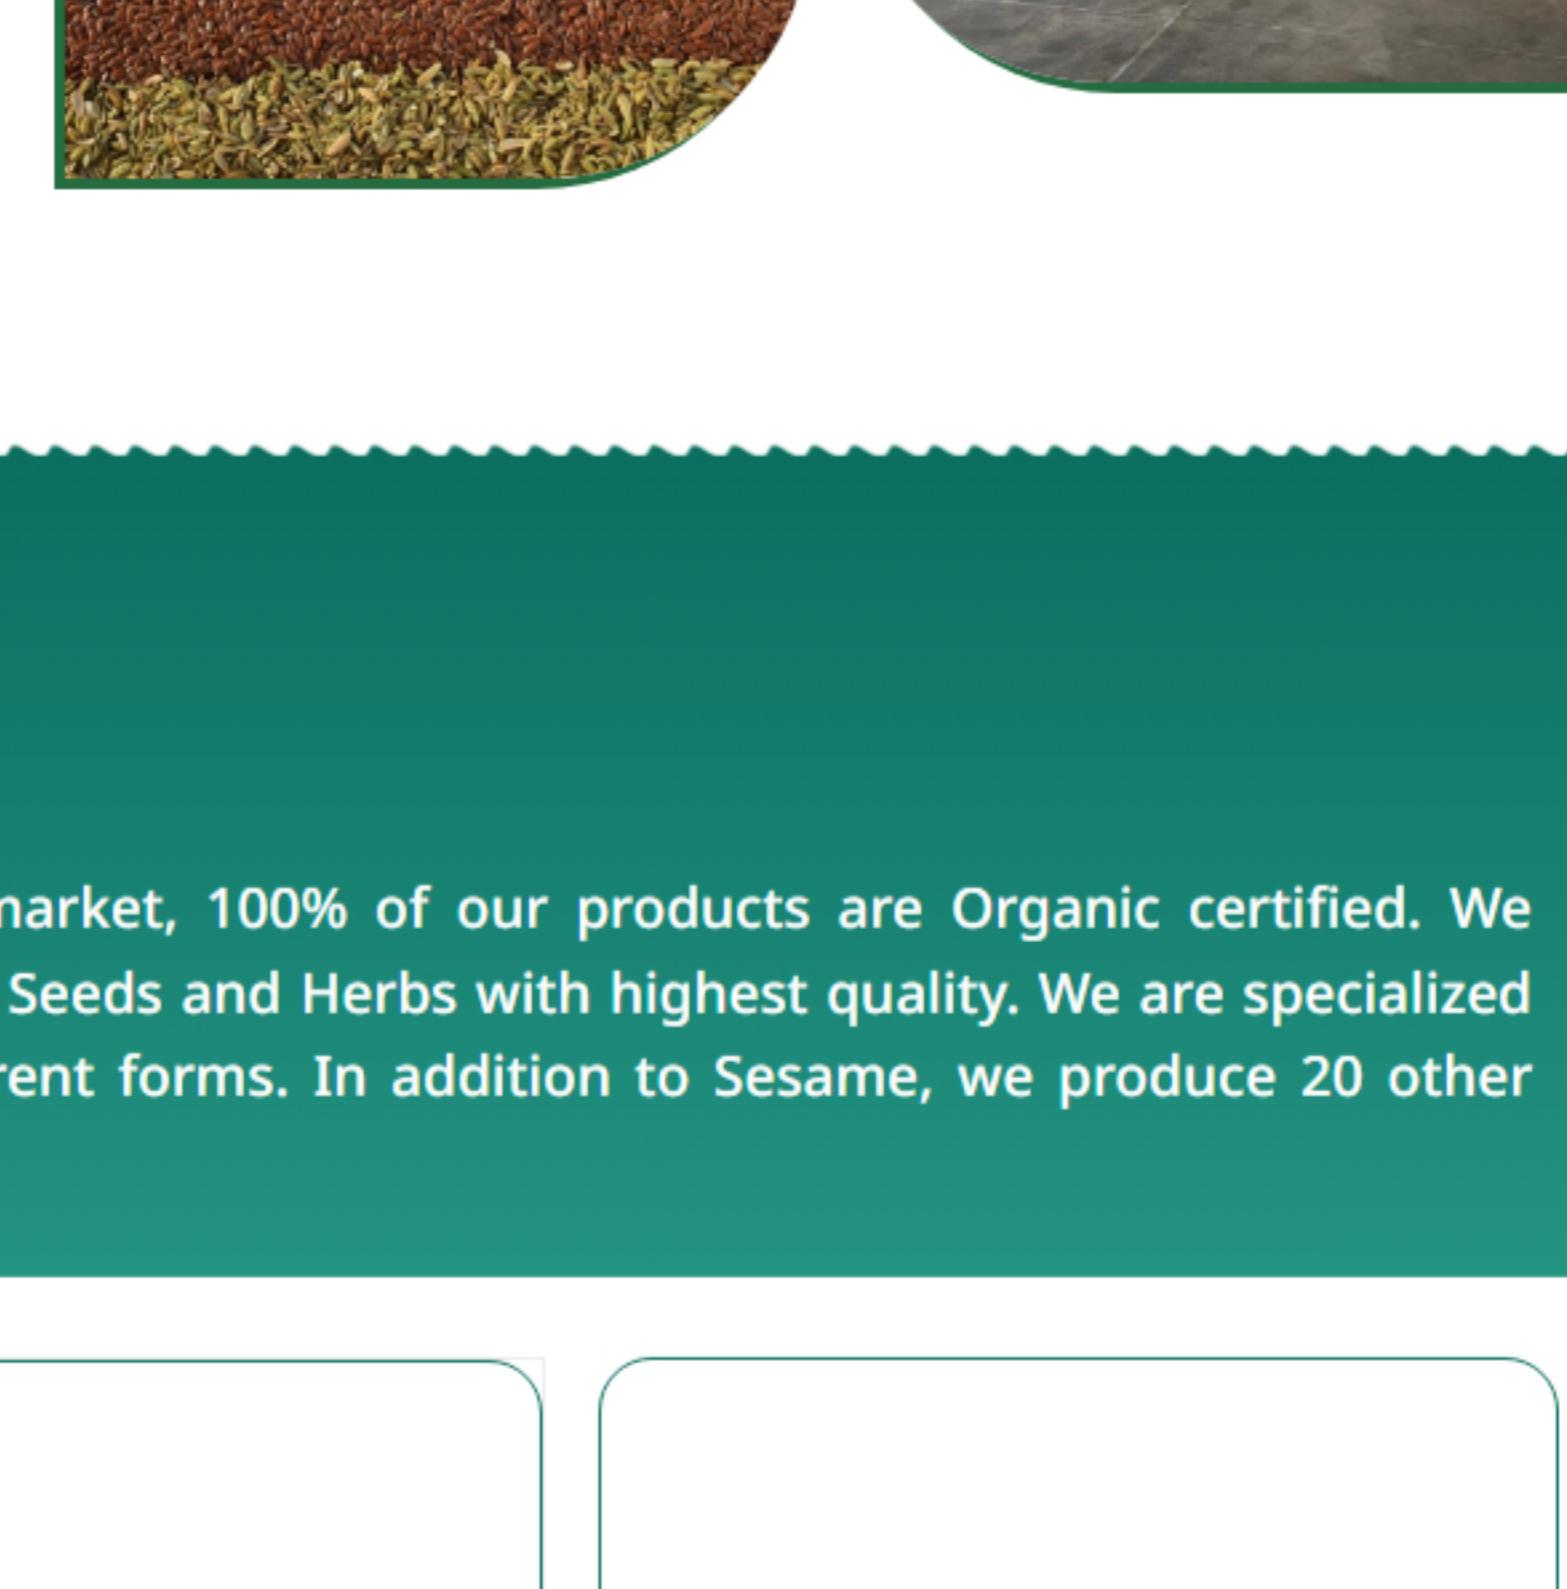

Teyo Group was founded in 2021 and managed by an expert team specializing in organic seeds and herbs. Today, it owns and operates 3000-square-meter of organic processing facilities on two different locations.

We are the exclusive producer of organic hulled sesame in Egypt, we operate a 500 SQM facility equipped with a cutting-edge hulling line.
